It has been said that time waits for no man. As members of the Class of 1979 commence into a new beginning, we realize that we will always have time. For time does not stand still. It is never ending.

We look forward to the times ahead with confidence, anxiety and willingness to move forward with happiness, success and our own personal endeavors.

A black and white photograph of a person in a graduation gown and cap standing in a hallway lined with lockers. The person is positioned in the center-left of the frame, facing slightly to the right. The lockers are visible on both sides of the hallway, creating a sense of depth. The lighting is somewhat dim, and the overall tone is reflective and nostalgic.

During the time we have spent in high school we have
acquired knowledge, and experience . . . We have made
many friends . . . We have shared the good with . . .

Time will bring an understanding

have the future.

DEDICATION

The '79 STOTONIAN is dedicated to Dr. Peter J. Sperandio, who served as Principal of Stoughton High School from 1966-79.

TO THE CLASS OF 1979:

Congratulations to you on your graduation. The diploma which you received is significant. More importantly, however, was your involvement in the educational experiences provided at Stoughton High School. These experiences have certainly had an effect upon you. We hope that you have developed social values so that you will not only know yourselves better as individuals but will be more understanding and considerate of others.

By the time you will have received your yearbooks I will be retired. The many years I have spent with students have been very enjoyable for me. Of course there have been some problems but we were able to resolve most of them. That is the way of life. I hope that I have, in some small measure, contributed to your future happiness.

To all of you, my personal best wishes for success, enjoyment and the attainment of your personal goals.

Sincerely,

Peter J. Sperandio, Ed.D.
Principal

A major change in administration took place at Stoughton High School on Feb. 23. On that date, Dr. Peter Sperandio, who had been principal at SHS since April, 1966 retired.

Mr. Albert Twomey, administrative assistant for school community relations, was named interim principal.

Dr. Sperandio has been principal for 13 years, a length of time which established him as holding the office for the second longest period among SHS principals to date.

During his term as head of the school, many changes took place, primarily an increase in the student body from 1200 to nearly 2000, and from 50 faculty members to well over 100.

As principal, he was part of the evaluation of 1969, following which Stoughton High received full accreditation for ten years, the maximum period permitted. He was also principal in 1969 when SHS celebrated its centennial and was the author of a pageant performed at that time.

Other changes were the expansion into the D and E Buildings, the changes in the curriculum to reflect greater choice through greater electives.

In other areas he had to contend with moments of stress, arising from change, including some non-violent disobedience of existing codes of student conduct and some violent confrontations resulting from abolition of previously established smoking areas. "Commons," with its built-in problems resulting from overcrowding, came into being during his term of office. None of these were of his making, but as principal he had to cope with them.

Despite these stresses and strains, Dr. Sperandio will probably prefer to look back to many outstanding accomplishments by students entrusted to him.

In the 1967 STOTONIAN, dedicated to him, tribute was paid to his "guidance and friendship."

Students in the Class of 1979, who have been at Stoughton High during the last four years of Dr. Sperandio's tenure echo these sentiments and wish him well in his years of retirement. We express our gratitude for his many years of dedicated service to education.

During 1978-79, several administrative changes took place at Stoughton High:

Mr. Anthony Sarno, instructor in biology and advisor to the Student Council, was named administrative intern.

Mr. Geoffrey Fanning, science instructor and football coach, was selected to fill a new position, Manager of the Attendance Center.

Mrs. Mary Vogel, school nurse, for many years, retired. Mrs. Vogel was a Stoughton High graduate (Mary Flynn) and was married to the late Frank Vogel, head of the SHS math department.

Mr. Albert J. Twomey, was named interim principal. Mr. Twomey was a star athlete at Stoughton High, who later served as a successful football coach. He was Director of Athletics at SHS, assistant principal at the junior high, and Dean of Students at the high school; at the beginning of the year he was named administrative assistant to the superintendent for school-community relations, from which post he was moved to the principal's office.

To the Class of 1979

For many of you, the past twelve years have been memorable ones in the educational system of Stoughton

Many of you will go on to college confident in the solid foundation you received in Stoughton. Others will go directly into the job market to immediately pursue your careers. In either case, you should look to your present educational background as a "beginning" and not an "ending" to the learning process. Hardly a day will go by that you won't learn — by study, or by your own experiences, or by the experiences of others.

A few years ago, the morale of students in the educational system was at a low ebb. Today, morale and "school spirit" are on a definite upswing. Your class has played a major role in turning this around in Stoughton. Your class spirit is exemplary, and one that you can be proud of. This same spirit is bound to make you successful in life.

The Stoughton School Committee wishes you well in all your endeavors, and congratulates you on your many achievements in the Stoughton School System.

Warm regards,

John L. Donnelly, Jr.

John L. Donnelly, Jr.
Stoughton School Committee

Dear Members of the Class of 1979

May I extend my personal and professional congratulations on the happy occasion of your graduation from Stoughton High School. It will be a pleasure for me to share in all of the activities related to your graduation. These various celebrations culminate on that one June evening when you will officially graduate from Stoughton High School.

The significance of that evening will only be felt after the ceremonies have ended and you have had an opportunity to reflect on the years spent as a student in the Stoughton Public Schools. I hope your recollections and memories will be filled with happiness. As the months and years progress, I am sure your thoughts will return to those teachers and members of the school staff who not only instructed your mind, but also personally gave of themselves to assist you.

The time you have spent in school has been shared with your parents who have dedicated and sacrificed many of their personal goals to provide you with the benefits of a fine education. It would be most appropriate on the evening of your graduation to express a heartfelt "thank you" to your parents. Together with them, we have worked for only one purpose and that is to serve your best interests academically and socially.

To all the members of the Class of 1979 I extend my personal thanks for the kindnesses you have extended to me as your Superintendent of Schools. Be assured I will always be available to help you in any way possible in the years ahead. I am very proud of each one of you.

Sincerely,

John G. Murray, Ed.D.

Some people have said we weren't a very close class. Maybe that's true. Maybe there were times when we didn't seem to be working together. It seems to me that we had a lot of fun in whatever we did.

That's what I like to remember the class for. A bunch of kids who weren't afraid to try different things, and enjoyed themselves while trying.

I would like to thank everyone who helped make this a year I will never forget. On behalf of the class of 1979 I want to express deep appreciation to Mr. Cidado for his co-operation and advice, for his assistance and guidance.

Thanks a lot to the past officers: Denise, Robyn R., Dianne, Mike, Nancy, Denise, and the present officers Eileen, Barbara, and Chris, and the executive board for all their hard work during the past four years.

CLASS OF 1979

To the Class of 1979:

It has been a deep pleasure and privilege to have served as your class advisor for the past four years.

I have found it most rewarding to have worked with your officers and with the other hard workers of the class.

We tried many things. Maybe some didn't go as well as we would have liked, but the record shows that most were successful. That we did so well is due to these many fine workers.

At the same time, we all had a lot of fun.

Not only did I enjoy the "formal" advisor-class relationship, but I'm also grateful for the personal relationship which has grown up between us.

In the years to come, I will cherish the memories of these friendships.

SINCERELY,

LEONARD CIDADO

IN MEMORIAM

(The Senior Section of the '79 STOTONIAN is dedicated to the memory of David Catalano, so tragically taken from us just before school opened in August, 1978. The following message was prepared by Val Lamplough)

TO THE CLASS OF 1979:

During the summer of '78 we lost a classmate, David Catalano. For all that knew him, it was a great loss. David is a person no one will forget.

Some will remember the many hockey games he played for SHS; others will remember the parties they had with him. No matter how he is remembered, these memories will be cherished by us for the rest of our lives.

To David: Thanks for the many happy times we shared.

A first in SHS history: rain delayed the homecoming two weeks. After anxious waiting, the queen, Pamela DiMatteo, was announced. But even with the extra time we heard the cries of "where's the crown?" (Superintendent of Schools, Dr. John Murray; Homecoming Queen, Pamela DiMatteo; 1977 Queen, Debbie Driscoll).

Another first: an escort on crutches! Homecoming Court: John Jardin, Christine Buckley, David Carter, Patricia King, William Harron, Pamela DiMatteo, Tom Constantin, Mary Jo Stack, Mark Bishop, Karolyn LeClaire.

SHS students were asked in a poll taken by the Stotonian Staff to express their opinions on various subjects. Several observations were made from the results obtained. For example, the seniors felt that in high school it is better to date around than to have a steady. Their favorite overall movie was Animal House. Could it be that they may be anticipating what is ahead of them?

It was also discovered that 73% of the senior class lacked the enthusiasm to take part in the poll. We thank those participants who were willing to act as members of the senior class.

Someday when we look back upon this remembrance of our high school days, we will be able to remember who our favorites were and what we were into.

Time Out! Look! A four leaf clover!

Injuries to key players were a major reason why Stoughton's varsity did not reach a goal as Hockomock champions. The Knights completed a 4-4 Hockomock League record and a 5-5 record overall.

Captain Mike Lanza and Andy Denneno were both sidelined with knee injuries and were missed at the two defensive tackle posts. Others missing action were Locke, Marrotta, and Silva.

Bright spots of the season were the kicking of Larry Zadra and the consistently good play of the defense. Zadra won two games with his field goal kicking. His best performance was in the Sharon game in which he kicked three field goals, including a game-winning 42-yarder.

The defense worked as one of the best in the league and consistently

shut down the opposing offense.

Zadra and Denneno were joined by Dan Gaultier and Dave Ireland on the All-League team.

Record: SHS 21, Randolph 0; SHS 15, Oliver Ames 12; Mansfield 10, SHS 8; SHS 9, Foxboro 7; Franklin 17, SHS 0; North Attleboro 42, SHS 8; Rockland 21, SHS 17; SHS 25, King Phillip 14; SHS 9, Sharon 7; Canton 7, SHS 0.

The JV squad completed its season with a 4-4 record, impressive considering injuries to the varsity which forced many of the better jayvees to be called up.

Key players were Sean Kelly and Ron Baeta.

The freshmen ended with a 5-2-2 record. Top players were Rich Quattrucci, Ron Howes, and Pat Totman.

SOCCER

The varsity soccer team compiled a 7-5 record in the Norfolk County League. A midseason slump cost the booters a spot in the post-season tourney.

Leading goal scorers for SHS included Paul Bishop, Dave Bezarro, Fernando Melo, Jose Henriques, Rick Lennon and Joe Amaral.

Farrell, Amaral, and Lennon made the all-teams.

The jayvees ended with a 4-8-3 record.

CROSS COUNTRY

With a fine second place finish in the Hockomock League meet, the cross country team ended a successful season with a 7-1 league record and 8-2 overall.

The harriers had a strong showing in all meets except for their sole setback in their first meet, losing to Foxboro 25-30. Following this single loss the Knights rolled over the remaining teams in the league defeating King Philip 16-45, Mansfield 17-45, Oliver Ames 20-39, Canton 22-35, Franklin 15-50, North Attleboro 21-34, and Sharon 16-43.

The '78 varsity was the strongest Stoughton has had in recent memory. Having enjoyed their most successful season, the group climaxed the fall campaign with a good fifth place finish at the Division II state finals and a victory in the South Shore Principals Association meet.

Leon Wilson finished sixth in the state meet and second in the SSPA meet. Leon was named to the All-Hockomock League and the Patriot-Ledger all-scholastic teams. His best time was a stirring 15:10 performance in the state meet.

Other top performers included Dave Barbato, Tom DiNapoli, Tony Aguiar, Joe McDonald, Peter Foley, and Jay Eagles.

The jayvees finished with a 6-1 record.

Although they didn't win the league title, the 1978 team and Coach Charles Green have much to be proud of.

An encouraging word from the coach.

SWIMMING

School records and personal "bests" were shattered often this season by the Stoughton High swimmers.

The final record of the team was 1-7-0.

Stoughton's best effort was in the Middleboro Relay Carnival in the 4 × 50 relay. Jeanne O'Neill set a new school record of 29.1; Robyn Ricci swam a personal best 29.9; two freshmen, Lisa Clough and Elaine Sweatt, swam exceptionally strong legs as the Knights finished fifth in a field of nine.

FIELD HOCKEY

The field hockey team improved last season's dismal record of 0-13-3, winning their first game in five years and then finished with a 4-9-3 record.

This year SHS finally had some experienced players, thus taking the edge off the lack of a JV group.

The wins were against Sharon (1-0), Mansfield 2-1, Foxboro 2-1, and North Attleboro 3-0. The nine losses were very close.

Denise Fraser and Paula Kelly were the outstanding players on the team; Denise was named All-League.

Goalie Liz Brazao and halfback Laurie Ghelfi also contributed to the all-around tremendous effort of the team.

Coach Barbara Batchelder and the team seniors deserve great credit for bringing respectable field hockey back to Stoughton.

Moving them from in front of the net (Brandt, Kershaw, Bitto, Donnelly).

With a varsity loaded with seniors and a great deal of promise, the hockey season was extremely frustrating to Coach Ray O'Malley and the SHS fans. The team seemed to have talent, plus hustle and desire, but just couldn't put the puck in the net and as a result finished with 4-4-11 record.

Co-Captains Rick Lennon and Bob Sullivan headed a team which included seniors Bitto, Carter, McKay, Donnelly, Rush, and McNamara. Highlights of the year were the two ties against perennial league and tournament powerhouse Canton, each 3-3.

Underclassmen provided strong backing to the seniors and some promise for the future. Bill Brant (who sided with Sullivan) and Mike Molinari will be key components for future SHS sextets.

Hampered with problems, Coach Joe Powers couldn't get some consistency from his JV team and ended 5-7-2, but went 4-1 against Hockomock League opponents. Dave Nutting, defense, and Bill Fairbairn, center, were strong for the JV group and should provide welcome additions to the varsity. Goalie Joe McNeill came up with 100% effort; other standouts, all aggressive, were Bill Wikstrom and Dan Proctor on wing, with Ken Fogarty at center.

Playing an independent schedule, the freshmen, coached by Tim Hathaway, came up with an impressive 8-4-2 record before they were merged with the jv's to end the season.

The team was led by Capt. Craig Kosinski who finished undefeated at 121 pounds. Craig led the team in every category and ended the season with a first in the Holiday and Sectional Tourneys. In the latter, he was named "outstanding wrestler."

Seniors Chuck Breen, Kevin Hanley, and Ed Abril each had winning seasons. Abril (3) and Hanley (4) placed in the Holiday meet and Hanley (3), Abril (3), were joined by Craig Casano (5), Scott Noe (6), and Pat Murphy (6) in the sectional tournament.

BASKETBALL

An outstanding end-of-season performance turned the season around for the boys varsity quintet and enabled SHS to enter the Class A tournament again.

The Knights lost to Framingham South in the opening round, but how they got there is a good story.

In the early part of the season SHS was considered a powerhouse of the league, but they lost some crucial matches and were all but counted out. A comeback brought them back into the last league game of the season and a "must-win" situation against Canton. They did so, convincingly, 83-52.

Coach Don Edmonston deserved credit for never losing faith in the team despite the roller-coaster type of season. The final record was 14-9.

Pat LaCivita was the team's high scorer followed closely by Keith Buggs. Key players were Larry Zadra, Larry Peter and Dan Fichera. Reggie Slater and Paul Carter provided a great deal of strength from the bench.

Rich Tepper, a freshman, was the ace "gunner" for Coach Warner Bucklin's junior varsity. The JVs won ten of their last eleven games (five against strong opposition) and ended with a 15-7 record. The JVs displayed great skill on both offense and defense.

In his first year as frosh coach, Mike Stuber piloted the team to a 9-7 record. Kevin Moriarty was high scorer consistently for the freshmen, followed closely by Bob Ricci.

The girls finally ended with a 7-11 record. It was a frustrating season for Coach Barbara Batchelder's charges. A series of close losses denied them a chance to mount another winning season.

Denise Fraser was high scorer; Jeanne O'Neill came into her own and proved a good inside shooter.

Coach Mary Cotter's JV team gave promise for future Stoughton efforts as they accumulated an 11-7 record.

Jayne Sallerson was the top point-getter for the jayvees.

The best record was that of the girls freshman team. They ended up 8-2. Topping other scorers for Coach John Denison's quintet was Lynda Roche.

Terry Ott was high scorer throughout the season and placed fourth in the floor exercises in the Hockomock championship. Terry's highest all-round score came in the Canton match, 27.8 points.

Several potential scorers were lost to the team due to injuries.

The team record was 4-10.

The indoor trackies finished third (out of eight teams competing) in the league championship meet.

In the dual-track season, Coach Bob Tosca's group came up with 4-2-1 record good for fourth place, actually only one point behind the tri-champs of the league.

Season performances included the following "best" (all at the Franklin field house): 50-yard dash, Mike Miniutti (three times) 5.8; 300, Steve Sallerson 36.5; 600, Greg Stenstrom 1:20.9; 1000, Leon Wilson (twice) 2:27.2; Mile, Dave Barbato 4:39.1; Two-Mile, Barbato 9:56; 45-high hurdles, John Schillinger (four times) 6.1; 50-yd. high hurdles, Schillinger 6.9; Shot, Steve Quattrucci 36'9½"; high jump, Schillinger 6'; 4×320 relay, Sallerson, DeNapoli, Stenstrom, Barbato 2:37.0.

Other top performances at other locations included 1000, Tom DeNapoli 2:24; Mile, Leon Wilson 4:32; Two Mile, Barbato 9:49.

John Schillinger equalled a school record in the 45-yard hurdles and set a new record in the high jump.

Mariea Fugate

Diane Jorgensen

"No one knows what he can do till he tries." When we started in September most of us knew very little about putting out a yearbook. Needless to say we didn't let that stop us. We were willing to learn, and we did. It took us a while and although there were many times when we wanted to quit, we didn't. And Stotonian '79 was no longer a dream, it became a reality.

However, without the miraculous help of our dedicated leader, Mr. Sumner Tapper, those deadlines would never have been met. He taught us what is meant by the word "teamwork." Although we were rather a small staff, we stuck by each other and kept our wits about us in many a difficult situation. And although a few deserted our sinking ship the rest of us managed to keep the ship afloat. It wasn't so important when the book came out, but rather what we put into it.

We would especially like to thank three people whose names may not be familiar but whose efforts were outstanding. Mariea Fugate for keeping the business end organized, Diane Jorgenson for lending a hand whenever it was needed, which incidentally happened quite a bit. And special thanks to Chris Conti for displaying his artistic talent in designing our cover.

We will not soon forget those confusing photo sessions . . . a lot of missing pictures . . . leaving space for a blizzard that wasn't . . . working during vacations . . . those deadlines . . . our original surveys . . . new ideas . . . climbing the stairs . . . "that's in the back room" . . . "don't you see it?" . . . "I thought he was supposed to do it!" . . . "I'll think we'll make it!" . . . "If our class was any bigger we'd have to leave out the faculty section!" . . . "What do you mean you can't find his picture?" . . . wasted days and wasted nights . . . the friendships . . . the fun . . . the memories.

"Success generally depends on knowing how long it takes to succeed." It may have taken a large part of our senior year — but we found the success we were hoping for. Congratulations to the staff of "79".

For the second consecutive year the SHS chess team was the champion of its division.

In the '78-'79 season it was *undefeated* with a 9-0-1 record. Team captain and best player, Peter Howe, led the team with a 10-0-0 record. Richard Mankavech, Mike Spack, Paul MacIntyre were also undefeated; David Stolow, Bechara Maalouf, and Greg Stenstrom also contributed to the team's success.

The highlight of the season was a victory over arch-rival Sharon. In this match, four of the five games were determined in "smash" or overtime.

In other matches, Stoughton defeated several opponents by 5-0 scores.

WORLD'S LARGEST BOOTMAKER

I would like to take this opportunity to extend our congratulations to all graduates for reaching yet another plateau in their career development.

To those graduates electing to continue their education, we extend our best wishes for the future. However, if your choice is to start your career immediately

We're sending the first team .

and we have a continuing need for entry level and/or experienced employees in Administrative Management, Marketing, Electronic Data Processing, Manufacturing Technology, and entry-level production positions.

At ACME we believe in being our industry leader and invite you to consider joining with us in the boot revolution. "Boots are bigger than ever this season. Next season. Every Season."

Why not send your resume to Career Development; ACME Boot Company, Inc.; P.O. Box 749; Clarksville, Tennessee 37040. If you live near an ACME Plant, check with its Personnel Department.

Congratulations Class of 1979

Now that you have completed your High School education, unlimited possibilities for interesting careers await you.

With your High School diploma you can afford to be selective in your choice of career.

We would be pleased to discuss with you at any time opportunities available both in our office and distribution center, as well as retailing in the hundreds of shoe departments we operate coast to coast.

Whatever your career decision, we extend to you our **BEST WISHES** for your success.
